

Family Partner Profile Angelique Doll

Although born in New Orleans, Angelique has lived on the Northshore for most of her life. Now, she is raising her three kids (ranging from 17 to 6 years old) here as well.

In addition to being a single mom, she is also a full time manager at a local Dollar General, which is where she spends most of her time. When she isn't at work, she tries to spend as much time as possible at home with her kids.

Unfortunately, the neighborhood they live in right now is not very safe and she is constantly fighting rats and mold. She knows that she wants, and deserves, better for her family.

She's looking forward to the day she can spend time with her kids in a place that brings her peace of mind instead of consistent stress. But ultimately, throughout this whole process, she is hoping that her kids learn that they can do anything they want in life with hard work and dedication.
